Definition
Dual enrollment means simultaneous enrollment in a home school or a regularly established private school while also enrolled and attending at Pacific Heritage Academy.

Policy
Pacific Heritage Academy offers dual enrollment to students who desire to be simultaneously enrolled at Pacific Heritage Academy as well as in a home school or a regularly established private school under the following conditions:

• The student will have a minimum attendance at Pacific Heritage Academy of three quarters (3/4) of the weekly instructional time, including instruction in Math and English Language Arts;
• The parent provides a written request with a rationale for released time away from Pacific Heritage Academy, and receives authorization from the Administrative Director; and
