

SCHOOL YEAR 2020-21 LANDS TRUST

Goal 1:

To upgrade teacher computers to ensure data cycles and progress monitoring are analyzed through the online programs regularly. This includes the use of STAR 360, i-Ready, Acadience and Curriculum Assessments that are collected, shared and analyzed within the PLCs.

Funding:

- \$5,000

Measurement:

- Increase of 5% from previous year using EOY Assessments for: Acadience, Curriculum Assessments, Diagnostic Programs used for assessments

Goal 2:

Increase student proficiency through technology by providing upgrades to School Network and licensing. This will allow students to access technology for testing, research and school sanctioned online learning programs such as STAR 360, i-Ready, Acadience, Curriculum Assessments and State Testing.

Measurement:

- Increase of 5% from previous year using EOY Assessments for: Acadience, Curriculum Assessments, Diagnostic Programs used for assessments

Funding:

- \$27,000

Goal 3:

To promote our Character Education program through the ethical use of technology and increase the civic and character education of our student leadership.

Measurement:

- Provide students with a certificate of completion in understanding and using technology and how it is used within our Character Education program.

Funding:

- \$16,000
